Loren

I sent out a calendar invite to brief Angeles and Tina on Friday at 11:30 about our letter. Only invited agency folks, including Eva, do you want the rest of the technical team there? Wayne will probably want to bring Steve

I assume this is just to update management. Please let me know if any subject matter experts need to be present. Since I am out for the following week, should Steve Willis, UXO Pro be listening?  
Thanks.

Enrique doesn't appear to have any availability right now. But this letter needs to go out by the 22<sup>nd</sup>. How about we just brief Tina and Angeles right now. After all, we are asking for a meeting with AF to discuss these concerns to avoid dispute. Will try for 11:30 and see if we can book a time slot at Branch Chief level

So I suppose we need to set up a briefing now to get the letter signed. Should this be for Angeles/Tina only, or should we include Enrique/Laura now? Enrique's calendar appears very booked already; and Angeles may be on travel next week, but this Friday afternoon appears pretty open
